

Healing Training

We have an OPEN HEAVEN because of what Jesus has done. He has paid the full price for Salvation, Healing, Deliverance, Access, Favor...

We pray and release Healing & Abundance FROM Heaven, as Sons & Daughters, Co-heirs, not pleading toward Heaven as orphans. No striving & no obstacles. Not *for* Love or Identity but FROM. Know that whenever I pray *Something Happens!* I'm releasing what He paid for; it's *His Plan*.

When ministering Healing we can draw on the anointing and all the break-through of Jesus, this House, past revivals, New Testament, Acts etc. We're not doing it alone. Surrounded by a cloud of witnesses cheering us on.

Healing is Supernatural, like *tongues* it's outside our intellect. We don't have to figure it out; there isn't a formula. It's relationship with the Healer. Respond to His promptings

Sickness & pain are NOT my Identity. I am In Christ and He is in me.

We set the atmosphere others come into, we do NOT come under their atmosphere. Heaven's atmosphere is full of Joy, Hope, Love, Peace, Life, Adventure, Transformation & Fun. Change the atmosphere.

Release the OPPOSITE of what we see (we see what the enemy is doing; he's shown his hand. Don't focus on it). The answer is not in the problem but in His Presence. We always honor the person, but not the disease. (*see/release the unseen*: chaos/peace, lack/abundance, discouragement/hope, fear/love, depression/joy,...) Hebrews 11:13; 2 Corinthians 4:18

Pray short and have them check it out. Pray again if needed. Ask what they are experiencing that is *Different*. (Not: "How are you feeling?")

Thank God for every change and every thing we see Him doing. Turn our attention & affection toward where He is and what He is doing and away from where we don't see Him. Pay attention to what GOD IS DOING and engage with it with **Thanksgiving & Hunger for More** (= Awe). (Foot in the door...) It's not about technique or formula, but *relationship with the Healer*.

When I'm striving ~ Quit. The Tenacity of Rest = Easy with Persevering Endurance. If nothing seems to occur go deep into Him for the MORE and revelation. It's impossible to pray and have nothing happen.
